TRASH, CURBSIDE RECYCLING AND HEAVY TRASH COLLECTION WILL OPERATE ON A SLIDE SCHEDULE

HOLIDAY NOTICE: Thursday, July 1 is Independence Day

INDIANAPOLIS –The Indianapolis Department of Public Works (DPW) would like to remind residents that curbside recycling, residential and heavy trash collection will operate on a slide schedule this week in observance of Independence Day.

There will be no trash service Thursday, July 4. This includes residential trash, heavy trash and curbside recycling. All residential trash, heavy trash and curbside recycling routes will run one day behind for the remainder of the week. Thursday routes will be serviced Friday, July 5; Friday routes will be serviced Saturday, July 6; all services will return to normal schedules Monday, July 8.

With the holiday weekend, residents might have more trash than is allowed for collection. DPW encourages residents to take advantage of the Marion County Citizens' Transfer Station at 2324 S. Belmont Ave. Residents can dispose of large amounts of household trash they would not be able to dispose of through regular and/or heavy trash service.

- Saturdays 8 a.m. – 4 p.m.
- The cost is \$5 per truck load or \$2 per car load. Vehicles can make two trips per day. No dual axles, trailers, permitted haulers or stake-bed trucks are allowed.

Residents can also take advantage of the recycle drop off locations that can be found at www.indy.gov/sustainindy. For more information or to report any missed trash pick-ups, please visit www.indy.gov/dpw, use the [RequestIndy](#) application on your smart phone, or call the Mayor's Action Center at 317-327-4MAC.
